

PROGRAM

Subnational Governments & Cities Pavilion

~ Taking-Action for Biodiversity ~

8 – 17 December 2022

Palais des congrès de Montréal, Place Quebec, 1st floor, in front of the auditorium

at CBD COP15

For the **first time at a CBD COP**, there will be a dedicated **Pavilion** focusing entirely on **subnational and local government actions and opportunities**. The Pavilion program will include multiple events, from 8th to 17th December, during COP 15.

| ⌚ 12:00 | Pause déjeuner « Pop-up » Québec (Plus de détails à venir) |
| ⌚ 13:00 - 13:50 | Climat et biodiversité : redéfinir notre rapport à la nature |
| ⌚ 14:00 - 14:50 | Bons coups et défis en matière de conservation de la biodiversité au Québec |
| ⌚ 15:00 - 15:50 | Le tourisme comme levier pour la conservation des milieux naturels et la vitalité des communautés : expériences en contexte nordique |
| ⌚ 16:00 - 16:50 | Présentation du projet Forêt ouverte du Québec
Présentation du réseau des parcs nationaux du Québec |
| ⌚ 16:50 | Mot de clôture de la Journée Québec |

10 December, Saturday

🕒 10:00 - 11:45	Health and well-being in cities: acting for access to green and blue spaces ~ GBF Target 12
🕒 12:00 - 12:30	Berlin Urban Nature Pact
🕒 12:30 - 13:45	Biodiversity mainstreaming solutions and innovations at the city & landscape level
🕒 13:45 - 14:45	BiodiverCities
🕒 15:00 - 16:30	RegionsWithNature catalysing biodiversity action and resources for implementation

11 – 12 December

7th Summit for Subnational Governments & Cities

CHINA DAY

13 December, Tuesday

🕒 10:00 - 10:10	Opening ceremony
🕒 10:10 - 10:25	Welcome remarks
🕒 10:25 - 10:30	Announce achievements and initiatives
🕒 10:30 - 11:50	Session I: Strengthen local biodiversity actions – practices and contributions from China
🕒 12:00 - 13:30	Lunch break
🕒 13:30 - 15:30	Session II: Integrated actions for sustainable urban development
🕒 15:30 - 15:50	Coffee break
🕒 15:50 - 17:50	Session III: Building cities in nature – shift in urban development and planning towards the new framework
🕒 17:50 - 18:00	Closing ceremony for China Day

14 December, Wednesday

🕒 10:00 - 12:00	Our food systems threatened by biodiversity loss and climate change – what can cities and subnational governments do?
🕒 12:30 - 14:30	The UN Decade of Ecosystem Restoration: Cities Challenge

🕒 15:30 - 17:30

CitiesWithNature - the partnership platform for ambitious nature actions

🕒 17:30 - 18:00

Launch of Trees in Cities Challenge

📅 15 December, Thursday

🕒 10:00 - 12:00

Unlocking finance for scaled action for GBF implementation

🕒 12:30 - 14:00

Bio-economy and green & blue economy

🕒 15:30 - 17:00

Scaling nature-based solutions for post-2020 GBF implementation

📅 16 December, Friday

🕒 10:00 - 12:00

Beyond boundaries: The role of cities & subnational Governments in taking action for global wetlands & migratory species

🕒 12:30 - 14:00

Cities and nature, urban rural linkages & ecosystems approach to spatial planning

🕒 15:30 - 17:00

Cities and Biodiversity Outlook II Project: Building a pathway to integrating biodiversity into policy and practice in cities

📅 17 December, Saturday

🕒 10:00 - 12:00

Developing a Pan-Canadian Approach to urban biodiversity & ecosystem service monitoring - learning from common opportunities and challenges across cities

🕒 12:30 - 14:30

Youth Communication Campaigns: how to convince family and friends to reduce their Food Loss and Waste

🕒 15:00 - 15:45

Biodiversity Awareness Study: results of an assessment in 9 megadiverse countries - Brazil, Colombia, India, Indonesia, Kenya, Mexico, Peru, South Africa and Vietnam
